***Psalm of Tad 358***

Lord, You have  
Saved me from sadness,  
And lifted me to light.  
All my life I have been haunted  
By the darkness,  
Only my dreams gave me sight.  
But my Savior  
Has now turned me  
Back to light,  
No longer do I dwell in shadows.  
Lord, you have  
Saved me from sadness,  
And lifted me to light.  
Lord, you comfort me in your gentle arms,  
You dry tears  
Of sadness from my eyes.  
My God,  
I forever await You in hope,  
From the ashes of Job  
I arise.  
Lord, you have,  
Saved me from sadness.  
And lifted me to light.  
Now I know I have no fear,  
For I am being watched  
By guardians above.  
The darkness can no longer sadden me,  
For I am shrouded  
In my Savior's love.  
Lord, You have  
Saved me from sadness,  
And lifted me to light.
